

City Planner

The City Planner is responsible for current and long-range planning and development review. In fulfilling that responsibility, the City Planner is charged with developing and maintaining two of the City's regulatory documents:

[Comprehensive Plan](#)

[Land Development Code](#)

These documents are designed to ensure the protection and preservation of the quality of life of the residents of and visitors to the City of Holly Hill.

The City Planner also serves as liaison to the:

[Board of Planning and Appeals](#)

Development Review Committee
