Frequently Asked Questions

Related Questions

How do I get a Trash Toter (96-gallon garbage container) or a recycle bin?

Call Utility Billing at (386) 248-9432 if you do not have a 96-gallon garbage container or a recycle bin.

What are the collection rules for residential basic garbage service?

This service includes 2 weekly collections of garbage per residence. Garbage must be placed in the container provided by the City and should not exceed more than 60 pounds in weight.

Please have material curbside by 7:00 a.m. to insure collection. Container must be removed by sundown after each scheduled pick-up day.

No Hazardous Waste Will Be Picked Up.

What are the collection rules for residential recycling service?

By recycling, you can do your part in protection and preserving many valuable resources while you save money.

This service includes 1 weekly collection of recyclable material placed in the container provided by the City. Materials which will be picked up are newspapers, aluminum beverage and food cans, glass containers (clear, green, & amber) and plastic containers with a “1”, “2”, or “3” on the bottom which previously held liquid.

No plastic containers that contain or have contained automobile products or toxic chemical bottles may be recycled.

Recycling bins are available through the City (386) 248-9432. Limit 1 bin per household please.

What are the collection rules for residential yard waste service?

This service includes 1 weekly collection of yard waste material bagged in garden sized plastic bags, boxed, canned or bundled. Materials shall not exceed 5 feet in length or 6 inches in diameter and should not exceed 50 pounds in weight per bundle.

This is unlimited amount - No Charge

Note: No human or animal excrement will be collected or transported by the Public Works Department or its franchisee. Do not put in city container.

What is the City's holiday schedule for pick-up?

Due to the Thanksgiving holiday, neither trash or recycling will be picked up on Thursday, November 25. Trash and recycling will continue on their next scheduled days, with trash on the east side of the railroad tracks picked up on Monday, November 29 and recycling east of the railroad tracks and south of LPGA Blvd picked up Thursday, December 2.

Volusia County Solid Waste Division's landfills will be closed on Christmas. Therefore the City will follow the same schedule.

Our community is serviced twice weekly for household waste. Make-up collections will occur on your next scheduled collection day. Yard waste and recycle items will also be collected on your next scheduled collection day.

How do I dispose of appliances/white goods?

Large appliances are also known as white goods since the most prominent color they are painted is white.

- Large appliances are picked up and separated for recycling.
- Residents should notify the City for collection when this service is needed.

Remember to remove the doors of appliances. It's safer and **it's the law**. Consider contacting a charitable or non-profit organization if the item could be fixed or reused. There is an additional charge for this service.

For collection call Utility Billing at (386) 248-9432.

How do I dispose of construction material?

This waste consists of building materials such as:

- roof shingles
- sheet rock
- wood
- concrete
- etc.

You may order roll-off containers through Utility Billing at (386) 248-9432.

How do I dispose of furniture, carpet, TV's, etc.?

These items may be placed curbside by 7 A.M. for collection.

There is an additional charge per cubic yard on these items after the 1st cubic yard.

You may call Utility Billing at (386) 248-9432 to get on the list.

How do I dispose of paint?

Water based paint cans can be disposed of in your black green garbage can as long as there is no liquid in it.

Oil based and liquid water based paint cans you must take to landfill to the paint exchange booth.

How do I dispose of tires?

Tires off of the rims should be set out at the curb for collection on your household garbage day.

The City will collect tires set out with a special truck so they are not commingled with the household garbage. **LIMIT 4 PASSENGER TIRES PER YEAR.**

Does the City provide special trash service to the handicapped?

Yes.

Back door service to the handicapped will be provided if there are no able bodied persons in the household.

Requests should be made to the Utility Billing at (386) 248-9432.
