Daytona Gas and Grills located at 2nd / Ridgewood (201 Ridgewood) in Holly Hill will be conducting a LP Gas burn off tomorrow, March 27, 2024 at 8:30 AM. The burn off should take approximately 2 hours. This burn off will most likely generate numerous 911 calls due to the location of the business and the visible flames that will be present. A fire response for this is not necessary unless the request comes from the business.
