

Sunrise Park North

Location: 1135 Riverside Drive

Hours: 6:00 am - 10:00 pm

Admission: Free

Sunrise Park North is on a site that was proposed to become a housing development in the late 1980's. To preserve this land for recreational use, the City obtained a FRDAP grant to purchase the property and develop the park.

There is a 1.5 mile walking path around the park, and in hopes of having a healthier Holly Hill, the city built a new outdoor fitness court in 2019.

Other recent improvements include the replacement of the fishing pier and the replacement of the pedestrian bridge that connects Sunrise Parks North and South. Sunrise Park North also features a large playground, restroom facilities and a pavilion over the water.

Park Rentals:
