

Maintenance of Trees

Trees are an important part of every community. They improve air quality, provide shade, remove air pollutants, reduce stormwater runoff, increase property values, etc. It is important to properly maintain our trees.

There are many factors to consider when deciding to remove, plant or prune City owned tree. To request maintenance of a tree that is located in a right-of-way or easement area maintained by the city, or if you have any questions regarding a tree's condition, call (386) 248-9463.
