

Adopt-A-Road

The City of Holly Hill's Adopt-A-Road Program is for the purpose of cleaning up litter and debris from the roads. The City is in support of such efforts to help clean the city streets and encourages groups to volunteer their time through a formal program. This is a litter control program coordinated through the City's Public Works Department. Joining Adopt-A-Road is a nice way to get acquainted with your community.

There is not a cost to be involved in the program, only the time involved of you and your team members.

The City will erect a sign at each end of the adopted section with the group's name or acronym displayed in one color, as the group approved on the application form. *(See the Guidelines and Conditions attachment for further information on the Adopt-A-Road Program for Litter Cleanup)*

What volunteers must provide

- A completed Adopt-A-Road application and right of way utilization permit
- A two-year commitment to pick up litter along the designated stretch of roadway
- A commitment to pick up litter at least four times a year
- A designated coordinator for clean-ups
- Schedule the date and time of each pickup through the City's Adopt-A-Road Coordinator at Public Works by calling (386) 248-9463
- Collect provided safety equipment and litter bags from the designated location
- Return provided safety equipment once clean-up is complete
- Place all trash collected at the base of their Adopt-A-Road sign
- Notify the Public Works Department of the trash location
- Return to the City the form which indicates the hours worked, the number of participants, and the number of bags of trash removed

For more information, contact the Public Works Department at (386) 248-9463.
